PTA Vision

Making every child's potential a reality.

PTA Mission

PTA is:

- A powerful voice for all children,
- A relevant resource for families and communities, and
- A strong advocate for the education and well being of every child

PTA Values

Collaboration: We work in partnership with a wide array of individuals and organizations to accomplish our agreed-upon goals.

Commitment: We are dedicated to promoting children's health, well-being, and educational success through strong parent, family, and community involvement.

Accountability: We acknowledge our obligations. We deliver on our promises.

Respect: We value our colleagues and ourselves. We expect the same high quality of effort and thought from ourselves as we do from others.

Inclusivity: We invite the stranger and welcome the newcomer. We value and seek input from as wide a spectrum of viewpoints and experiences as possible.

Integrity: We act consistently with our beliefs. When we err, we acknowledge the mistake and seek to make amends.

The Purposes of the PTA

- To promote the welfare of the children and youth in home, school, community, and place of worship.
- To raise the standards of home life.
- To secure adequate laws for the care and protection of children and youth.
- To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the education of children and youth.
- To develop between educators and the general public such united efforts as will secure for all children and youth the highest advantages in physical, mental, social, and spiritual education
