

June 2, 2011

Dear Executive Board Members,

Let me first tell you how honored I am to be your PTA President. Secondly, I've been working with some of you these past two years and look forward to working with the rest of you. To say I'm on the CHES PTA is saying I'm among greatness. You are some of the finest people in this community. You donate your time and resources willingly and selflessly. That's exactly what we need to be a successful PTA.

We are still facing the effects of the budget cuts and need the help of the community to keep our school great. Getting neighbors, grandparents, older siblings, aunts and uncles involved will help to fill the voids in our school. We need the community to see that Clover Hill Elementary is doing great things and our children are reaping the benefits.

Being PRESENT is the best way to make an impact on your child's education and as a member of the Executive Board, you are being present. I encourage all of you to be creative, open-minded, resourceful and ambitious during the coming year. At times, it will be challenging and there will be road blocks, but together we can make this a productive, fun and educationally sound year for our children.

Please remember, we are all here for the same reason...to improve the education our children receive. If you need any additional information, check out our website, Facebook page or Blog. All forms are available on the website as well.

Looking forward to a great year!
Joelle Hawkins
